49. (a) Where disciplinary proceedings against an employee are contemplated or are pending or where criminal proceedings against him in respect of any offence are under investigation, or are under trial and the punishing authority as per Rule No.48.5 is satisfied that it is necessary or desirable to place the employee under suspension, he may, by an order in writing suspend him with effect from such date as may be specified in the order. Provided that the Managing Director of the Federation in respect of employees in the services of Federation and the Chief Executive Officer in respect of employees in the service of the Union shall also be competent to place any employees under suspension.

(b) An employee under suspension shall be entitled to a subsistence allowance equal to 50% of his salary.

Provided that when period of suspension exceeds six months the authority making the suspension order shall be competent to vary the amount of subsistence allowance for any period subsequent to the period of first six months as follows:

(i) the amount of subsistence allowance may be
increased by 50% of the subsistence allowance admissible during first six months if the suspension has been prolonged for reasons to be recorded in writing not directly attributable to the employee.

(ii) The amount of subsistence allowance may be reduced by an amount not exceeding 50% of the subsistence allowance admissible during first six months if the period of suspension has been prolonged due to the reasons, to be recorded, in writing, directly attributable to the employee.

(c) In addition to the amount mentioned in (b) above the employee shall be entitled to any other compensatory allowance admissible on the basis of pay of which the employee was in receipt on the date of suspension subject to the fulfilment of other conditions laid down for the drawal of such allowance.

(d) An employee under suspension may be reinstated by an authority competent to punish under Rule 48.5 of these Rules who shall consider and make specific orders with regard to the pay and allowance to be paid for the period of suspension and whether or not the said period shall be treated as duty.
Provided that where the said authority is of the opinion that the employee has been fully exonerated or that the suspension was wholly unjustified the employee shall be given the full pay and allowances to which he would have been entitled had he not been suspended and the period shall be treated as duty for all purposes.

In other cases the employee shall be given such proportion of pay and allowances as the punishing authority may prescribe keeping in view the extent to which the employee has been found guilty. In such cases, the period of suspension shall not be treated as duty unless such punishing authority specifically directs that it shall not be so treated for any specified purpose.

Provided further that such proportion of such pay and allowances shall not be less than the subsistence allowance admissible under clause (b) and (c) above.

(e) The payment of subsistence allowance is subject to the furnishing of a certificate by the employee to the satisfaction of the authority which suspended him that he is not engaged in any other employment, business, profession or vocation.
Charge sheet and appointment of enquiry officer

The Managing Director/Chief Executive Officer except in case of 48.5 (i) above shall be competent in all cases to issue charge-sheet, obtain explanation and appoint an Enquiry Officer. The final punishment shall, however, be imposed by the punishing authority mentioned in Rule 48.5 above.

51.

Appeal:

51.1 Appeal against the orders of punishment shall lie to authority mentioned in column 5 of Rule 48.5 of these rules.

51.2 The appeal shall be submitted within a period of 30 days from the date on which the applicant received a copy of the order appealed against. The appellate authority may, however, entertain any appeal within 60 days of the said date if the applicant had sufficient cause for not submitting the appeal in time.

51.3 Every appeal shall be submitted through the punishing authority or Chief Executive Officer, or Managing Director as the case may be who shall place the same before the appellate authority.
51.4  The appellate authority may, after consideration of the case:

(i) Set aside, reduce, confirm or enhance the penalty.

OR

(ii) Remand the case to the authority which imposed penalty with such directions as it may deem fit in the case.

Provided that before enhancement of the Penalty the appellate authority will give notice to the appellant to show cause against the proposed enhancement.

52. Revision.

52.1 No revision petition against the decision of the appellate authority shall lie to anybody.

CHAPTER-VII.

GENERAL

53. RECORD OF SERVICE.

53.1 The record of service of every employee inclusive of accounts of all types of leave (except casual leave) pay scales, annual increments, crossing efficiency bar, biennial increments, dates of joining the services on transfer, promotion, confirmation and punishment if any, shall be
maintained or caused to be maintained by the Managing Director of the Federation in case of posts given in Annexure 'A' and by Chief Executive Officer in case of post(s) given in Annexure 'C', in the service books as applicable to Government employees. All entries in the service book shall be confirmed by an officer appointed by the above said officers. The employees shall have a right to see their service books.

54. ANNUAL CONFIDENTIAL REPORTS:

54.1 Character Roll of each employee shall be written each year in the month of April or immediately thereafter or whenever a special entry is required to be made in respect of good work or serious lapse of the employee.

Provided that the Reporting Officer Reviewing Officer and accepting Officer shall record his remarks only if the employee has worked for a minimum period of three months over a year under his supervision.

54.2 The character roll of employees in Group A, Group B, Group C and Group D of the service shall be written on a proforma F(1), F(2), F(3) and F(4) in respect of Group A, Group B and C and Group D employees respectively annexed to these rules and shall be finalised by the end of June each
year. The various officers authorised to make first report, to review and to accept the ACR are given in Annexure 'C'.

54.3 The reporting officer shall in the beginning of the year set physical and financial targets in consultation with each of the officers with respect to whom he is required to report upon. The targets shall be set for the commencement of the reporting year i.e. April.

In case of an officer taking up a new assignment in the course of the reporting year, such targets shall be set at the time of assumption of new assignment. The targets so fixed should be clearly known and understood by both the officers concerned. Priority shall be assigned item-wise taking into consideration the nature and area of work and any special features specific to the officer to be reported upon.

54.4 The reporting officer and the officer reported upon shall meet during the course of the year at regular intervals to review the performance and to take necessary corrective steps.

The assignment shall be confined to the performance during the period of report only.
In case adverse remarks are recorded in respect of an employee, the same shall be communicated to the employee within a period of two months from the date of its acceptance.

An appeal against the adverse remarks may be made within 30 days from the date of despatch of information containing adverse remarks. The appeal shall be considered by the officer given in column 6 of annexure II for decision whose decision shall be final and binding.

Joining Time on transfer

Joining time upto 6 days shall ordinarily be admissible to an employee unless the authority competent to transfer, reduces it in the transfer orders. The employee shall, however, be eligible to avail reduced joining time on a later date within 6 months from the date of taking over the charge.

Public holidays following the day of his relieving shall not be included in the joining time.

Journey day of one day for each journey of 300 Km or its part, shall also be admissible on transfer.

No joining time & journey time shall be admissible when there is no change of station.
55.5 Joining time up to the number of days spent on travelling shall be admissible if the transfer is made on the request of the employee.

56. Military Service Benefit

56.1 Benefit of military service to the ex-servicemen employees joining service will be allowed as per rules applicable to Government employees.

59.1 Conveyance allowance to blind and orthopaedically handicapped employees shall be allowed in accordance with the instructions applicable to Government employees.

60. Loan to staff members.

60.1 Conveyance, house building, marriage loan or other loan may be granted to an employee as per
Government Rules and as per scheme approved by Registrar under Section 64 of the Haryana Cooperative Societies Act, 1984.

**Standing orders.**

61.1 Employees of the Federation/Union working in Milk Plants and other field units of the Federation/Unions, covered under Certified Standing orders issued under Section 50 of the Industrial Employment (Standing Orders) Act 1946, as amended from time to time, shall continue to be governed under the above said standing orders.

Provided that the provisions of these Rules shall only be applicable on such terms & conditions of service where the above standing Orders are silent.

62. **Leave Travel Concession**

62.1 Leave Travel Concession shall be admissible to employees as per instructions applicable to Government employees.

63. **Amendment of Rules**

63.1 The Federation may of its own motion or on the request of a union consider, to make amendment (including addition & deletion) in these rules and may for this purpose approve a model amendment of these Rules.
63.2 The model amendment as approved under Rule 63.1 shall be circulated to all concerned unions for consideration and approval by their respective Boards.

63.3 The Board of the Federation may, if it is satisfied that it is essential & desirable in the interest of the unions & Federation to carry the amendment, it may approve the amendment to be given effect from the date to be specified by it, provided at least 2/3rd of the unions have already approved the proposed amendments and due consideration was given to the views of the unions opposing the proposed amendment if any.

64. Relaxation.

64.1 Where the concerned Board of Directors is of the opinion that it is necessary or expedient so to do, he may by order for reasons to be recorded in writing, relax any of the provisions of these Rules with respect to any class or category of employees.

65. Interpretation of Rules.

65.1 If any doubt arises at any time, as to the interpretation of these rules or their application notwithstanding anything contained in these rules, the matter will be referred to Registrar whose decision shall be final.
66. **Saving.**

Where these rules are silent, the provisions of Civil Services Rules and instructions of Government Applicable to Government employees shall apply to the employees covered by these rules.

67. **Repeal.**

Various instructions, resolutions of Board of Directors of Federation and Unions governing the service conditions of employees, issued from time to time are hereby repealed in so far as they are repugnant to these rules.

To consider and approve the revised organizational charts of Milk Unions and Federation and amendment in service rules

Objectives of Restructuring

i. Changed/Competitive Business Environment.
ii. Reduction of Categories by Merging.
iii. Avoid Stagnation by providing more Promotional avenues.
iv. Right Sizing of the Manpower.
v. Improvement in Qualifications at the entry level.
vii. Re-nomenclature for Uniformity across cadres.
viii. Identification of diminishing/dying Cadre
ix. Compliance of Govt. Directions.

In 1988 Organizational charts and then Service Rules were framed. The staff strength was fixed keeping in view workload of Milk Plant, Milk Unions and other offices at that time. The other major assumption was that the Federation would run Milk Plants.

In 1991 Milk Plants were leased out to Milk Unions. Bulk of the staff working with Federation got transferred to Milk Unions on notional deputation and they are continuing like that. The organizational Charts were not changed. The Milk Unions didn’t create any posts for running Milk Plants. Federation established several Sales Depots and Sales Booths but no additional posts were got created. No staff has been employed ever since.

Over a period of time a need has been felt to revise the organizational charts of Milk Unions and Federation to cater to the demands of the Organization especially under the circumstances that the work load has increased many a times since 1987-88. The annual turnover has reached Rs. 400 crore from Rs. 25.52 crores during 1987-88. Liquid Milk Sale has reached 5,50,000 litres per day including Mother Dairy sale from 80,000 litres per day in 1987-88. Many new products have been added. Since no new recruitment has been made many key functionaries especially in Technical Section have got retired. There are vacancies on almost all Technical posts in all the Milk Plants. Even the posts of Quality Control Officers are vacant. In the present day competition where high level of efficiency is required Organizations are required to be equipped sufficiently with right kind of manpower. At the same time there are posts in class-III & IV categories, which are excess to the needs of the Organization. Virtual stagnation and no promotion since 17 years has adversely affected the motivation of employees. Most of the key functionaries have reached at the end of their pay scales and are feeling frustrated. Many are trying to go out of the Organization to seek better avenues.

The above situation called for an exercise of right sizing of the staff. Before this exercise could be initiated and completed a case was moved to Haryana Bureau of Public Enterprises to seek their concurrence. A meeting in this regard was held on 5-12-03 under the chairmanship of Chairman, Haryana Bureau of Public Enterprise. The following three decisions were taken by the Bureau:
i. Milk Unions will absorb the staff of Federation working with them after seeking the approval of their BODs and M.D., HDDCF exercising the powers of RCS.

ii. Milk Unions should not come in the purview of HBPE.

iii. The Federation and Milk Unions should complete transfer/absorption by 28-2-04 and thereafter the Federation should formulate the restructuring proposal pertaining to other categories of post and send it to HBPE for consideration.

To give effect to absorption of employees of Federation in Milk Unions, it was necessary to frame revised organizational charts of Milk Unions & Federation. The exercise has been completed with the concurrence of representatives of Milk Unions.

Provision with regard to revision of posts in Staff Service Rules (as per clause 3.5) adopted by Milk Unions and Federation is as under:

"The staff strength shall periodically be reviewed by the Board of the Federation and the concerned Union and the concerned Board shall be competent to increase or decrease the strength. Provided that approval of Board of the Federation shall be required to increase the staff strength of a Union")

The chief characteristics of the same are given as under:

Three posts of Chief General Manager in the pay scale of Rs.16400-22400 will be created at the Federation level.

Unlike other sister organizations the General Manager/Chief Executive Officer of the Milk Union in our organization is comparatively placed in a lower payscale. Since General Manager is working at the helm of the affairs of the Milk Union it is proposed that the post of GM be upgraded from the existing pay scale of Rs.10000-15200 to the pay scale of Rs.13500-17250

Assistant General Manager (Grade 8000-13500) & above are on common cadre. These posts will appear in the organizational charts of Milk Unions and Federation both. Recruitment of these posts will be made by Federation and deputed to Milk Unions.

To ensure better prospects and to avoid frustration/stagnation, persons/incumbents of the post will be elevated to the higher post after certain period of regular satisfactory service in the pay scale subject to availability of vacant post.

Out of the posts of General Manager (GM) in the payscale of Rs. 13500-17250 and Chief General Manager in the payscale of Rs. 18400-22400 only one post will be filled up at a time. If GM is promoted to the post of Chief General Manager then the post of GM from where he is promoted will remain vacant.

Out of three posts of General Manager (Semen Bank) in the payscale of Rs. 13500-17250, Dy.GM (semen Bank) in the payscale of Rs. 10000-15200 and AGM in the payscale of Rs.8000-13500 only one post will be filled up.
at a time. If AGM is promoted to the post of DGM(Semen bank) then the post of AGM from where he is promoted will remain vacant. If DGM(Semen Bank) is promoted to the post of GM(Semen Bank) then the post of DGM(Semen bank) from where he is promoted will remain vacant.

Out of the posts of AGM in the pay scale of Rs.8000-13500 and DGM in the pay scale of Rs.10000-15200 only one post will be filled up at a time. If AGM is promoted to the post of DGM then the post of AGM from where he is promoted will remain vacant.

Various categories of posts with payscale 10000-13900 and 10000-15200 are proposed to be merged and will be designated as Dy. General Manager in the payscale of Rs. 10000-15200. However, the incumbent of the posts who were having a payscale of 10000-15200 prior to the merger of pay scales will be considered first for promotion to the higher post. In case there is no person in the payscale of Rs.10000-15200 in a particular category of post then the person with a payscale of Rs.10000-13900 will be considered for promotion to the higher post.

Similarly, categories of posts with payscale of Rs. 6500-10500 and 6500-9900 are also proposed to be merged and will be designated as Manager in the payscale of Rs. 6500-10500. Further, the incumbents of the post who were having a payscale of Rs.6500-10500 prior to the merger of the payscale will be considered first for the promotion to the higher post. In case there is no person in the payscale of Rs.6500-10500 in a particular category of post then the person with a payscale of Rs. 6500-9900 will be considered for promotion to the higher post.

Further categories of posts with a payscale of Rs.5000-7850 and Rs.5000-7100 are also proposed to be merged and will be designated as Executive Assistant. However, the incumbents of the post who were having a payscale of Rs.5000-7850 prior to the merger of the payscale will be considered first for the promotion to the higher post. In case there is no person in the payscale of Rs.5000-7850 in a particular category of post then the person with a payscale of Rs. 5000-7100 will be considered for promotion to the higher post.

As and when a new milk chilling centre will be set up the posts for these chilling centres will be created on the pattern recommended for other chilling centres separately.

As & when a new Sale Depot/s will be opened staff will be positioned in the Sale Depot/s as under:

In the Sale Depot with an annual turnover less than Rs 5.00 crores one post of AM (Mktg), one Executive Asstt.(Mktg) and one Clerk will be provided. In the Sale Depot with a annual turnover of more than Rs. 5.00 crores one post of Mgr(Mktg), one Executive Asstt (Mktg) and one clerk will be provided.

A Civil Engg. Cell will be created at the Federation level. The requirement of the post of JE(civil) will be met out of the staff to be provided at the Federation level. Designation
of the different posts in Civil Engg. Cell have been kept at par with the ones existing in Govt. Deptt. It will facilitate to borrow the services of an employee holding a similar post in the Govt. Departments.

One Executive Asstt. (Proc.) will be posted against 25 functional societies (average for the year). After increase of every 25 functional societies one additional post of Exe Asstt. (Proc.) be created.

One AM(Proc) will be posted against 150 societies (average for the year).

One Mgr(Proc.) will be posted against 400 societies (average for the year)

Jobs given/to be given on contract basis

- Security
- Crate washing/Crate Loading/Unloading
- Operation of Pouch filling Machines
- Can washing
- Firing of rice husk in boilers
- Packing of table Butter/Powder/Ghee
- and transfer of the products to stores
- Loading of Milk Products in trucks
- Sweeping and sewerage cleaning
- Gardening/maintenance of lawns etc.
- E.T.P. Operation
- Sorting of pouches
- Ghee filling, pouching and packing
- Resource persons to be deployed to strengthen the field activity for milk procurement enhancement

If the union intends to get any other job done on contract basis, other than the jobs listed above, they may do so after seeking the approval from the BODs of the Milk Union. Further some jobs which have been included in the Union charts may also be got done through contractor subject to approval of BODs of concerned Union.

Posts denoted ** in the organization charts means 100% under diminishing cadre.

Post denoted * in the organization charts means under diminishing cadre.

These posts will continue to exist till their retirement. There is no proposal for their retrenchment.

The recruitment of new posts will be made in a phased manner in proportion to retired employees as to have the marginal financial burden on the Milk Unions/Federation.

There is some inconsistency in the designations of the various categories of posts. For example Dy. Manager(Prod.) is in the payscale of Rs. 8000-13500 where as Manager(Mktg) is in the payscale of Rs. 6500-10500. To bring in uniformity in the designations the organizational charts have been revised accordingly. Now Extension & Milk procurement Asstt.(EMPA) in the payscale of Rs.5000-7850 will be designated as
Exe. Asstt. (Proc.). Similarly, Asstt. Dairy Supervisor in the similar payscale of Rs 5000-7850 will be designated as Exe. Asstt. (Proc.). On the same analogy the designation of the different categories of posts will be changed.

The qualifications and mode of recruitment of various categories of posts in the service of concerned Milk Union and of the Federation have been shown in Annexure A and Annexure B respectively.

After Board of Directors of Federation approves the revised organizational charts, Milk Unions will get the same approved from their respective Board of Directors. As a first step Milk Unions will absorb the Federation's staff and the staff posted from the cadre of other Unions on the terms and conditions given as under:

1. The services of the employees even on deputation would not be interrupted by this absorption and the emoluments/benefits/pay scales, which the employees are presently enjoying, would be protected.

2. The terms and conditions of the service including retirement benefits would not be in any way less favourable to employees then applicable to them immediately before the absorption and these would be protected.

3. In the event of the retrenchment the Milk Union would be liable to pay to them compensation on the basis that their services have been continuous and have not been interrupted by their absorption.

4. Interse seniority of the employees of the Federation/other Milk Union to be absorbed in the Milk Union will be maintained by the respective Milk Union. The seniority in the category of their post in the milk union will be counted from the date of their joining on the present post/scale in the organization i.e. Federation/corporation/Milk Union.

5. They will be governed by Haryana Dairy Coop. Staff service rules 1988 as amended from time to time and applicable to Milk Unions.

6. The Federation will discharge its liabilities towards retirement benefits payable to employees for the period they have rendered services with the Federation. Therefore, the Unions have agreed that entire retirement benefits shall be paid to the employees by the respective Milk Union at the retirement of each employee.

7. The employees will be absorbed in the Milk Union where they are working presently. They will also have an option to seek absorption in their parent Milk Union/Federation from where they have been sent on deputation to other Milk Unions. Other than this the employees cannot seek absorption in other Milk Union.
Federation will send the restructuring proposal pertaining to their posts including of common cadre to HBPE for consideration and approval.

Matter is placed before the Board of Directors for consideration and approval of the following decisions:-

The revised organizational charts of Milk Unions and Federation along with revised qualifications and mode of recruitment are approved. The service rules are amended to that extent. These will come into force from the date these are approved by BODs of respective Milk Unions and in case of Federation by the HBPE.

The staff of Federation be absorbed by Milk Unions as per terms and conditions from 1 to 7 given above.

MILK UNION, AMBALA

Other assumptions

1. Post of Steno in the payscale of Rs.5000-7850 has been clubbed with the post of EA (Admn).

2. One Executive Asstt. (Proc.) will be posted against 25 functional societies (average for the year).
   After increase of every 25 functional socs, one additional post of EA (Proc.) be created.

3. One AM (Proc) will be posted against 150 societies (average for the year)

4. One Mgr. (Proc.) will be posted against 400 societies (average for the year)

5. Promotion to the higher post from EA (proc) to the post of DGM (P&I) will be made when
   besides fulfilling functional societies criteria, the milk procurement of the union in terms of
   average milk procurement/society/day is equivalent to the State average milk procurement/
   society/day. The figure of the union will be compared with the average of the last 3 years of the
   State as a whole.

6. AGM & above on common cadre.

7. 100% posts under diminishing cadre.
   * Posts under diminishing cadre.

8. No. of posts of driver will be according to the no. of vehicles plying in the union.

9. As and when a new milk chilling centre will be set up, the posts for these chilling centres will be created
   on the pattern recommended for other chilling centres separately.

10. A civil Engg. Cell will be created at the Federation level. The requirement of the post of JE (civil) will be met
    out of the staff to be provided at the Federation level.

11. As & when a new Sale Depot/s will be opened, staff will be positioned in the Sale Depot/s as under:
   In the Sale Depot with an annual turnover less than Rs. 5.00 crores one post of AM (Mktg), one EA (Mktg) and one
   Clerk will be provided. In the Sale Depot with an annual turnover of more than Rs. 5.00 crores one post of
   Mgr (Mktg), one EA (Mktg) and one clerk will be provided.

13. Post of FDO in the payscale of Rs. 6500-9500 will be designated as Manager (inputs) and their requirement has been
    shown under the category of post Manager (Proc./Inputs)
MILK UNION, AMBALA

Career: Succession Planning

To ensure better prospects and to avoid frustration/stagnation, persons/incumbents of the post will be elevated to the higher post after a certain period of regular satisfactory service in the pay scale.

However, out of the posts of AGM in the pay scale of Rs. 8000-13500 and DGM in the pay scale of Rs. 10000-15200 only one post will be filled up at a time. If AGM is promoted to the post of DGM, then the post of AGM from where he is promoted will remain vacant.

5. Promotion to the higher post from EA (Proc.) to the post of DGM (F&I) will be made when
   besides fulfilling functional societies criteria the milk procurement of the union in terms of
   average milk procurement/society/day is equivalent to the State average milk procurement/
   society/day. The figure of the union will be compared with the average of the last 3 years of the
   State as a whole.

6. AGM & above on common cadre.

7. ** 100% posts under diminishing cadre.

   * Posts under diminishing cadre.

8. No. of posts of driver will be according to the no. of vehicles plying in the union.

10. As and when a new milk chilling centre will be set up the posts for these chilling centres will be created
    on the pattern recommended for other chilling centres separately.

11. A civil Engg. Cell will be created at the Federation level. The requirement of the post of JE (civil) will be met
    out of the staff to be provided at the Federation level.

Report of the Anomaly Committee appointed to review the representations made in this behalf

The Committee had called the representations from all the employees of the Federation / Milk Unions. The Committee have considered all the representations and have made following recommendations:

1. The post of DGM and AGM shall co-exist and filled up simultaneously.

In the approved organizational charts it has been provided that out of post of AGM in the pay scale of Rs. 8000-13500 and DGM in the pay scale of Rs. 10000-15200 only one post will be filled at a time. This condition has affected the elevation of junior incumbents. Further the mode of recruitment in the post of DGM is 100% by promotion out of the post of AGM whereas for AGM the mode of recruitment is 50% direct and 50% promotion. In the organizational structure of Milk Unions and Federation there are 43 posts of AGM and 31 posts of DGM. Out of 43 posts of AGM 20 will come from direct recruitment and 23 by promotion. With this condition imposed few persons/incumbents of the post would be elevated to the higher post which results in blockage for the junior post to get elevated. To overcome the situation both the posts of AGM and DGM will co-exist and be filled up simultaneously. Further in order to provide more avenues to our own staff it is recommended that the condition of filling up of the post of AGM by 50% direct recruitment and 50% by promotion should be changed and the post of AGM be filled up by 25% direct
recruitment and 75% by promotion. This way there will be little financial liability on the part of the firm.

2. Like above there is condition of recruitment on 50:50 basis to the post of Assistant Manager, Executive Assistant, Lab. Assistant, Junior Mechanical, Plant Operator, Junior Store Keeper, Comp. Operator, Boiler Attendant. The condition is depriving number of persons of promotion. It is recommended to change this condition to the extent that the posts mentioned above be filled up by 25% direct recruitment and 75% by promotion. It may be seen that with this condition 50 number of persons will get the chance of promotion. In lieu of this there will be very little financial implication as may be seen from the chart enclosed (at no. 3 to 19).

3. At present 103 clerks are working in the Milk Unions/Federation while as the sanctioned posts of clerks are 29. That means 74 Clerks are under diminishing cadre. We have 9 number of Class IV employees who are matriculates. They are already drawing higher pay scales. They are working in the organization for the last so many years. They even fulfill the qualification criteria laid down for promotion to the post of clerk. But since number of sanctioned posts of clerks are less, we are unable to promote them. To redress their grievances it is recommended that the peons who are matriculate be promoted to the post of clerk even if that post is under diminishing cadre. This will continue till all the peons who are matriculate are elevated to the post of clerk. However, promotion be effected only on the retirement of the employees from the post of clerk. Thus the number of clerks at any point of time will not increase the existing strength of clerks. Further number of clerks to be promoted will also remain on diminishing cadre.
4. There is also a long pending demand from technical staff holding the post of Jr. Mechanic (Electrical/Mech.) and compressors operators for which minimum educational qualification prescribed is Matric with ITI certificate and polytechnic for giving them the scale of Rs. 1200-2040 (unrevised) from 1.5.80 instead of Rs. 950-1500 and Rs. 4000-6000 instead of Rs. 3050-4590 from 1.1.1996 as prevalent in the Govt. departments. No. of employees in the above category are 26.

For such categories of staff working in Milk Unions it is recommended to grant them the pay scale of Rs. 4000-6000. There will be little financial implication as may be seen from the chart enclosed (Ref. No. 11).

5. There are many posts available in the organizational chart which cannot be filled from the existing posts. It is proposed to fill such posts from the cadre. Presently Milk Unions do not have sufficient staff to look after the various activities of the Milk Unions, efficiently and effectively. As per the approved Organizational Chart - Milk Union Sirsa has 3 vacant posts in Purchase Section viz Manager (Purchase), Asst. Manager (Purchase), Executive Asst. (Purchase) but these posts have not been filled up. The work of the section is being looked after by the staff working in other sections in addition to the duties of the section where they are actually working. Similar is the situation in other sections of Milk Union Sirsa and also other Milk Unions.

It is recommended to change the cadre of all such employees working in section other than their original section. They may be promoted against available vacant posts wherever feasible provided they have requisite experience for the post. This exercise would motivate the employees to work better. For example if an employee of Accounts or Admin. section working in Purchase section get his cadre
changed and is promoted against the vacant post available in purchase section, then it will not only boost the morale of this employee to perform better but also other employees who will also get elevated to the post which will become vacant on the change of the cadre of the particular employee. By resorting to the above measure Unions will not have to induct the persons from the open market to fill up the vacant post and thereby incur additional financial liability.

Employees belonging to technical cadre/section working in non-technical section would be adjusted there but not vice-versa. The feasibility to be verified by concerned Milk Unions/Federation at the level of Personnel Committee of Milk Union and MD of the Federation respectively.

6. The post of Exe. Asst. (Proc.) is to be filled up by 50% direct recruitment and 50% by promotion out of the category of DEW having 5 years experience as DEV. No further recruitment is be made to the post of DEW. 60:40 ratio will be maintained till DEWs are promoted to the post of Exe. Asstt. (Proc.). Thereafter recruitment to the post of Exe. Asstt. (Proc.) will be 100% direct. The work of both the posts DEW and EA(Proc.) is similar. It is recommended to convert maximum no. of DEWs as EA(Proc.). To achieve this it is further recommended that the post of EA(Proc.) be filled by 25% direct recruitment and 75% by promotion.

7. Number of posts of AM (PA) in the HDDCF be increased from existing 2 to 7 so that all the Divisional Heads may be provided one PA in the payscale of Rs. 5500-9000. This is being recommended in view of the increased status of the Divisional Heads. They will be provided to Chairman HDDCF and other Divisional Heads as under:

Chairman -1
Chief Admn. Officer - 1
General Manager (A&F) - 1
General Manager (P&M) - 1
General Manager (P&T) - 1
Sr. Functionarian being taken on contract for Milk Procurement - 1
Milk Marketing activities - 1

With this the no. of sanctioned posts of Exe. Asst. (Stenographer) will reduce from 7 to 5.
Stenographers will be provided to other officers as under:
  Executive Engineer (civil) - 1
  AGM (Quality Control) - 1
  AGM (MIS) - 1
  Manager (Admin) - 1
  Manager (Accounts) - 1
  Total - 2

Financial liability on account of increasing the strength of AM (PA) may be seen from the chart enclosed (sr. no. 12).

In case of Milk Union the post of stenographer in the pay scale of Rs. 5500-7850 has been clubbed with Executive Asstt. (Admin). The same need to be delinked from the Admin branch and shown as separate cadre as has been done in case of Federation. To provide promotional avenues to the staff, one post of Asstt. Mgr. (PA) in the pay scale of Rs. 5500-9000 need to be provided in each Milk Union. In addition to 1 post of Executive Asstt. (Stenographer) in each Milk Union.

This is being recommended in view of the increased status of the Chief Executive Officer of Milk Unions. The post of CEO/GM of the Milk Union, has been upgraded from the pay scale of Rs. 10000-15200 to 13500-17200.
The post of Executive Asstl. (Stenographer) and Asstl.Mgr.(PA) will be filled up as under:

**Executive Asstl. (Stenographer)**  
Promotion 100%  
Out of category of Steno typist having 7 years experience as steno typist.

**Asstl.Mgr. (PA)**  
Promotion 100%  
Out of category of Executive Asstl (Stenographer) having 5 years experience as Executive Asstl (Stenographer)

Financial liability on account of increasing the strength of AM (PA) may be seen from the chart enclosed (sr.no. 13)

9. Experience of 15 years has been fixed for promotion to the post of SDO (Civil) in the pay scale of Rs. 8000-13500 from the post of Junior Engineer (Civil) in the pay scale of Rs. 5000-7850. In Govt. Depts., whenever any post of SDO (Civil) becomes vacant Junior Engineer (Civil) is immediately promoted on seniority basis without asking for his practical experience. Earlier in the Staff Service Rules the experience of 10 years was fixed instead of 15 years for promotion to the post of SDO (Civil) from the post of Junior Engineer (Civil)/DM@ (already designated as JE (Civil). Keeping in view the above, it is proposed that the experience required for promotion to the post of SDO (Civil) be reduced from 15 years to 10 years.

Earlier both the posts of SDO (Civil) were filled up by direct recruitment.

Now both these posts will be filled up by promotion.

10. In case of Milk Procurement Section some conditions as enumerated below have been laid down for creation of posts/promotion to the higher posts viz. Executive Asstl. (Proc.), Asstl. Manager, Manager (Proc.), Asstl. General Manager, Dy. General Manager.
One Executive Asst.(Proc.) will be posted against 25 functional societies (average for the year). After increase of every 25 functional societies, one additional post of EAs(Proc) be created.

One AM(Proc) will be posted against 150 societies (average for the year).

One Mgr.(Proc) will be posted against 400 societies (average for the year).

Promotion to the higher post from EO(Proc) to the post of DGM(P&I) will be made when besides fulfilling functional societies criteria the milk procurement of the union in terms of average milk procurement/society/day is equivalent to the State average milk procurement/society/day. The figure of the union will be compared with the average of the last 3 years of the State as a whole.

The average milk proc./society/day for 2005-06 was 77 kgs. In respect of Milk Union, Ambala, 109 kgs.; M.U.Hissar-Jhnd, 68 kgs.; M.U. Kurukshetra-Karnal, 103 kgs.; M.U. Rohtak, 111 kgs.; M.U. Ballabgarh, 103 kgs.; M.U. Sirsa and 98 kgs. for the state as a whole. Thus from the above it is evident that employees working in Milk Union, Ambala and Kurukshetra-Karnal can not be elevated to higher posts as the average milk proc./society/day in case of M.U. Ambala and Kurukshetra-Karnal is lower than the State average of 86 kgs. The situation is the same in these milk unions for the previous years also. At any point of time when we will compare the average milk procurement/society/day of the union with the state average, there will always be a situation when some unions will fall to meet the state average.

At the same time against the milk procurement target of 48000 kgs./day laid down for the year 2005-06, M.U.Ambala has procured on an average 48,200 kgs./day and M.U. Kurukshetra-Karnal against the target of 26000 kgs./day has procured on an
average 32,100 kgs./day. The achievement of these milk unions otherwise is noteworthy.

But with the above condition in vogue the employees of these Milk Unions in Milk Procurement section can not be promoted.

No such condition has been laid down for promotion to higher posts in other sections. Accordingly it is recommended that the above condition of milk procurement and functional societies be waived for effecting promotion in Procurement Section to the extent that MD HDDOF should satisfy himself that Milk Unions which have not been able to achieve the above condition have otherwise performed well w.r.t. the targets laid down in terms of Functional Societies/Milk Procurement. Further if there was some adverse situation/factors beyond the control of the milk union as a result of which union could not meet/achieve the conditions/targets laid down, MD HDDOF may further satisfy himself before allowing milk union to promote staff in Milk Procurement section.

However, for creation of post of E.A(Proc.), A.M(Proc.) and Mgr.(Proc.), the criteria of functional societies as given above will continue as such.

11. Sh.O.P. Sawhney was elevated to the post of Manager (Admn.) in the pay scale of Rs.6500-10500 from the post of AM(Admn.) in the pay scale of Rs.5500-9000 during April 06. Prior to his promotion he was drawing a basic pay of Rs.10400/-. His pay now can not be fixed after giving him the benefit of one increment of Rs.200/- under Rule 32.1 of Haryana Staff Service Rules, 1989 as the last basic pay of the scale is Rs.10500/- only.
If he would have continued to work on the post of AM(Admin.) in the pay scale of Rs. 6500-9000 his pay would have been fixed at Rs. 10375/-. His pay is now going to be reduced in the promoted rank of Manager(Admin). Further his retirement benefits will also get reduced at the time of his retirement. To avoid any financial loss to him at the verge of his retirement on 31.10.2000, his basic pay may be fixed as Rs. 10600/- as a special case and it is will remain a personal measure to him.

Sh.K.C.Belte, was promoted to the rank of Manager(Private Secretory) in the pay scale of Rs. 6500-10500 from the post of AM(PA) in the pay scale of Rs. 5500-9000 during April, 00. Prior to his promotion he was getting a special pay of Rs. 150/- and conveyance allowance of Rs. 150/- which on his elevation to the post of Manager(PA) has been withdrawn, which is a direct financial loss to him. To compensate him it is proposed to grant him a special pay of Rs. 150/- and conveyance allowance of Rs. 150/- which he was drawing previously on the post of AM(FA) as a special case, and this will remain a personal measure to him.

To provide promotional avenues to the personnel working in Production, Quality Control & Engineering sections no. of hierarchical levels have been provided in the organizational chart of Mill Unions/Federation. For all those employees who possess the requisite qualification there is no restriction for them to get elevated to the rank of General Manager in the payscale of Rs. 13500-17250 and even Chief General Manager in the payscale of Rs. 18000-22400. However in case of Civil Engineering Section one
can only go up to the post of Executive Engineer - civil in the pay scale of Rs. 10000-15200.

To remove the stagnation it is recommended that next functional pay scale of Rs. 13500-17280 is granted to the incumbent of the post of Executive Engineer (Civil) after 6 years of regular satisfactory service as Executive Engineer (Civil).

Some more representations have been received from the Milk Unions for increasing the no. of sanctioned posts in various categories of posts.

The Committee has gone through the same and observed that the requirement of staff varies from Union to Union. In the revised Organizational Charts of Milk Unions, by and large, a uniform pattern has been followed while sanctioning the posts. The Committee will hold meeting with CEO's of milk unions and have detailed discussions with them and other senior functionaries before recommending any further increase in the no. of posts. It is all the more necessary to undertake this exercise as it is not long since the last revision of the organizational chart was carried out.

The Committee will submit its recommendations on the above in due course of time matter is placed before the Board of Directors for consideration and approval of the following decisions:

- The revised organizational charts of Milk Unions and Federation along with revised qualifications and mode of recruitment be further amended to the above extent. These will come into force from the date these are approved by the Registrar Cooperative Societies, Haryana.
A Chart showing financial liability of the posts to be filled up after removal of condition laid down in revised organizational Chart of MusFed.

To consider the request of the employees for removal of stagnation.

The New organizational charts approved by the Board of Directors and subsequent approval of the same with certain amendments by RCS in respect of the charts of the Federation and commune, cadre employees has been implemented. There is resentment amongst the staff who are held up on the same post for more than 20 – 30 years and see no scope for promotion / removal of stagnation.

To alleviate this genuine grievance of the stagnated employees the following proposal has been worked out:

1. Any person holding a post for 20 years or more as on 1.4.2006 in the same pay scale will get next promotional pay scale and post and these will be personal to these persons. This procedure will continue in future also.

2. If any employee is getting an ACP scale which does not correspond with the scales provided in the organizational chart & have completed 20 years on the same post, the person will be placed in the scale as per organizational chart.

3. If any employee who is already getting promotional scale by virtue of his placement through ACP Pay scale without change of any designation, in that event the concerned employee will automatically be re-designated as per the organizational chart.

4. There are 129 numbers of employees of the all the Milk Unions and the Federation who will stand benefited.

5. The financial liability works out to about Rs. 68,000/- P.M. only. The unit wise details are enclosed with the agenda. (Annexure)

In view of the position explained above, it will be seen that by implementing the above decision, a large number of employees will be motivated and feel elevated to the next scale which will boost the morale of these employees.
Further more, it is relevant to add here that the financial liability on this account only will be 0.02% of the total turn over of the organization.

There are cases where Govt. of Haryana have also provided incentive to some categories based on number of years of service put in e.g.:

ii) 10000-13900 (After 5 years of regular satisfactory service in the Cadre)
iii) 12000-16500 (After 11 years of regular satisfactory service in the Cadre).

The above scales shall be applicable with effect from 13.2.96 and shall have strict linkages with the qualifications and parties with the Animal Husbandry department.

i) 8000-13500
ii) 10000-13900 (After 5 years of regular satisfactory service in the Cadre)
iii) 12000-16500 (After 11 years of regular satisfactory service in the Cadre).

It is certified that for the grant of the second ACP scale of 12000-16500, 20% of the posts in the Cadre of SDEs / AE / AEs will be considered. As soon as an officer (SDE/AE/AEE) gets promoted as XEN, the slot reserved under 20% will be vacated by him.

Matter is placed before the Board of Directors for consideration and approval.

Agenda Item No: 10/44/2007

Sub: Promotion avenues to the group 'C' & 'D' employees on the posts of Drivers.

As per revised Organizational chart of the Federation, the qualification and experience to the post of Driver in the Scale of Rs. 4000-6000 is as follows:

Promotion: Nil

Direct: 100%

Qualification: Matric from recognized university/Institute with driving licence of light commercial vehicle at least 3 years experience of driving a vehicle in a reputed organization. Age not more than 40 years.

The Chief Secretary to Govt. Haryana has observed vide letter No. 25/18/2005-4GSII dated 13.9.05 (Copy placed at Annexure 'A') that in most of the service rules of Group 'C' employees of the departments, provision exists for promotion of group 'D' and group 'C' employees to the post of Driver if he has valid driving licence to drive a Jeep/Car etc. and has at least five years service on a group 'D' or 'C' post. No maximum age for an employee to qualify for promotion under this Rule has been prescribed in the service rules of the departments.

The matter has been considered by the Govt. and it has been decided that the maximum age for an employee to qualify for promotion as Driver under the aforesaid Rules shall be restricted to 50 years. In addition he should have driving licence of driving cars and jeeps, which is at least 5 years old.

It has requested to take immediate necessary action to carry out necessary amendment in the relevant group 'C' service rules governing the post of Drivers of department wherever such a provision for promotion exists in the service rules.

Matter is placed before the Board of Directors of the Federation for consideration and adoption of the above said instructions of the Govt. in the Federation & amend the service rules accordingly.

Dated Chandigarh, the 17.9.2005

Subject: Promotional avenues to the Group 'C' and 'D' employees on the posts of Drivers.

Sir,

I am directed to address you on the subject noted above and to say that it has been observed that in most of the service rules of Group 'C' employees of the departments, provision exists for promotion of Group 'D' and Group 'C' employees to the post of Driver if he has a valid driving licence to drive a jeep etc. and has atleast five years service on a Group 'D' or 'C' post. No maximum age for an employee to qualify for promotion under this rule has been prescribed in the service rules of the departments.

The matter has been considered by the Government and it has been decided that the maximum age for an employee to qualify for promotion as Driver under the aforesaid rules shall be restricted to 50 years. In addition, he should have driving license of driving cars and jeeps which is atleast 5 years old.

You are requested to take immediate necessary action to carry out necessary amendment in the relevant Group 'C' service rules governing the post of Drivers of your department wherever such a provision for promotion exists in the service rules.

These instructions should be brought to the notice of all concerned for their information and strict compliance.

The receipt of this communication may kindly be acknowledged.

Yours faithfully,

Memo No.1528-C-6-08/ Chandigarh, dated

Subject: Revision of Organisation Charts of Milk Producers Cooperative Unions and Haryana Dairy Development Cooperative Federation w.e.f.1.4.2006.

The matter regarding revision of Organisation Charts of Milk Producers Cooperative Unions and Haryana Dairy Development Cooperative Federation w.e.f.1.4.2006 was under consideration of the Government. However, keeping in view of the latest policy of the department regarding applicability of Haryana Bureau of Public Enterprises, the Government has decided to regularise the implementation of revised Organisational Charts and pay scale of the employees of HDDCF and Milk Unions except granting higher pay scales after changing the nomenclature of the posts of i) Director (Prod & Projects)/Director (Mktg); ii) General Manager (Projects)/(General Manager Milk Plants/Project Officer and iii) Manager (A&F)/Manager (P&M)/Manager (Prod)/Dairy Engineer/Mgr. (Semen Bank) / XEN to the posts of a) Chief General Manager b) General Manager c) Deputy General Manager / XEN which needs to be reviewed at Government level.

You are requested to ensure a strict compliance of the Government instructions in letter and spirit.

Grant of relaxation in experience for next promotion under New Organizational chart.

The new organizational chart was approved by the BOD of the Federation vide Agenda Item 18/139/05 in its 139th meeting held on 04/08/2005. As per provision in the organizational chart, the condition of 5 years experience was prescribed for promotion to the next post in different categories of posts.

It has been observed that majority of the officers/officials are on the verge of retirement and such employees are not eligible for promotion for want of prescribed experience. The employees who have been working in the organization for the last more than 20-30 years are deprived of their promotion to the next post before retirement for want of prescribed experience of 5 years. To mitigate their grievance it would be in the fitness of things if the condition of 5 years experience is relaxed suitably depending upon the capability of the officer/official who is considered fit for the promotion in the overall interest of the organization. This will also result in boosting the morale of the existing staff. It is also added here that if any post remain vacant for more than 3 years that is considered as abolished as per policy instructions issued by the Govt. A large number of posts are earmarked to be filled up by way of promotion in the Federation/Milk Unions.

The matter is placed before the BOD of the Federation for consideration and approval please.

The New Organizational Chart came into existence with effect from 1.04.2006 whereby an additional qualification "Must have a working knowledge of Computer including M.S.Office (i.e. M.S.Word, M.S.Excel, Power Point)" is prescribed for the posts of Plant Operator and Compressor Operator whereas these posts are of lower level technical nature and the candidates of the respective trade don't have such type of knowledge. Only I.T.I. certificate holder in the relevant field is required for these posts. Hence it would be appropriate to delete / waive off this additional qualification of computer knowledge for these categories.

Matter is placed before the Board of Directors for consideration and decision.

Subject: Regarding Qualification prescribed for the post of Asstt Manager (Production).

While framing the new organizational chart the qualification for the post of Asstt Manager (Production) for direct recruitments has been prescribed by the Fed is:

"Graduate in Dairying or food processing or Agri Science Marks 60% or above must have a working knowledge of computer including MS Office"

Recently the Milk Unions have recruited some Asstt Manager (Production) through Haryana Staff Selection Commission having the qualification of Msc/Bsc. Agri Science. Now the Federation has received a communications from Milk Union Ambala (copy Annexed at ‘A’) that the new incumbent on joining were placed in production sections but they are not having the knowledge of processing of Milk and Milk products as a result Milk Union Ambala is facing difficulties in day to day working in processing of Milk and Milk products, hence the qualification of Agri Science for the post of Asstt Manager (Production) is not serving the purpose as they are not exposed to dairy processing during their Graduation Course which is needed for working at the post of Asstt Manager (production).

Apart from above, the qualification for the post of AOM (production) is also same as Asstt Manager (Production) which does not serve our purpose.

In view of the position explained above it would be appropriate that the qualification prescribed as graduate in Agriculture Science for the post of Asstt Manager (Production) and AOM (Production) may be deleted from the organizational chart.

The matter is placed before the ‘Board of Director’ for consideration and decision.

Subject: Regarding Rectification in the Probation period of Group A B C & D Employees of the Federation

Sir,

It is intimated that the captioned subject has been engaging the attention of the management from some time past. The Board of Directors of the Federation in its meeting held on 2.9.2011 deliberated over the issue vide agenda item No. 9/161/2011 and decided to keep the probation period of Group A B C & D employees of Federation / Milk Unions as per Govt. pattern. Hence in view of above, clause No. 12.1 of “The Haryana Dairy Cooperative’s Staff Service Rules, 1988” may be treated as amended to that extent. Copies of agenda No. 9/161/2011 and decision of the BOD of HDDCF are enclosed herewith. This is for your information and further necessary action accordingly.

Thanking you,

Yours faithfully,

Encl: As above.

HDDCF
BOD AGENDA

Agenda Item No. 9/161/2011

Regarding rectification in the probation period of Group A, B, C & D employees of the Federation.

There is a provision of probation as per clause 12.1 of The Haryana Dairy Cooperative's Staff Service Rules, 1988 as under:

"Persons appointed to any post in Group-A and B of the service shall remain on probation for a period of two years and in Group C and Group D of the service for a period of 6 months if appointed by direct appointment and one year if appointed by promotion."

From the perusal of the above probation clause in the service rules, there appears some ambiguity. The office view that the probation of direct appointee should be more than that of a promotee. It appears that this error has crept into the service rules inadvertently and needs to be rectified. To remove this error it would be appropriate that probation periods are kept as follow (which is also the prevalent practice, at present)

For Class A & B posts, direct appointees should be kept on probation of 2 years and those appointed by promotions should be kept on probation for 1 year.

For Class C & D posts, direct appointees should be kept on probation for 1 year and those promoted should be kept on probation for 6 months.

In view of the foregoing for the purpose of carrying out this rectification as well as ratification of the present practice, the matter is placed before the BOD of the HDDCF for consideration and approval.
